## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicants' amendments and arguments, see amendment, filed on 3/16/2005, with respect to Claims 1-4, 7-16 and 19 have been fully considered and are persuasive. The 35 U.S.C. 102 rejections have been withdrawn. Claims 5-6 and 17-18 had been cancelled.

None of the previously cited reference teaches the amended Claims 1-4, 7-16 and 19.

### ***Examiner's Amendment***

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Notification for this examiner's amendment was given in a telephone message with Attorney K. Berner, Registration No. 31,361 on Friday, May 26, 2005.

The application has been amended as follows:

With claims 19, replace "The use of the method of claim 17" to "The use of the method of claim 11" since the original claim 17 has been cancelled and all the limitations of the original claim 17 have been moved into new independent claim 11.

### ***Allowable Subject Matter***

3. Claims 1-4, 7-16 and 19 are allowed.

***Examiner's Statement of Reasons for Allowance***

4. The following is an examiner's statement of reasons for allowance:

The prior art along or in combination fails to teach or make obvious the limitations for a method and system for device addressing over a computer network that specifically comprises:

“a step for the estimation of the parameters of the propagation channel comprising the following steps: a station sends a known sequence of N symbols ... estimated with S and y being known, in using a method of equalization” as recited in the independent claims 1 and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
